

MOTION ON THESIS 2

The Session Chair moves to vote the Congress Thesis 2 “A strategy for the next phase of the space renaissance Paving the way forward for Sustainable Civilian Space Development, Education, and Institutional Growth”, on the basis of the presented paper¹ and the presentation² given by the author, hereafter summarized:

Premise: The Next Phase of the Space Renaissance

The Present Space Context

Civilian Space Development as the Core Mission

The Space Renaissance as a Civilizational Movement

SRI’s Role in the Next Phase

- Intellectual and Research Function
- Educational and Mentorship Function
- Public Communication Function
- Policy and Governance Dialogue Function
- Cultural and Artistic Function

Activity Domains and Structural Alignment

- Culture, Ethics and Civilizational Futures
- Policy, Governance and Institutional Strategy
- Engineering and Applied Systems
- Structural Role of the Strategic Pillars
- Academy

Strategic Priorities for 2026–2031

- Priority 1: Strengthen SRI’s Institutional Identity.
- Priority 2: Prepare SRI as a Fundable and Findable Organization.
- Priority 3: Develop a Citable Knowledge Base.
- Priority 4: Institutionalize the Space Renaissance Academy.
- Priority 5: Revitalize the Mentorship Programme.
- Priority 6: Advance Public Outreach and Communication.
- Priority 7: Develop Strategic Alliances, Partnerships and Regional Activities.
- Priority 8: Strengthen the SDG 18 Discussion.
- Priority 9: Support Human-Centred Space Development.
- Priority 10: Improve Internal Programme Processes.

Governance and Implementation Framework

- The Board includes representation from SRI’s principal activity pillars and core governance functions:
 - President and Board Chair
 - Founder and President Emeritus
 - Executive Director
 - Director of SR Academy
 - Director of Institutional Strategy and Partnerships
 - Director of Policy and Legal Affairs
 - Director of Engineering and Applied Systems
 - Director of Gerard K. O’Neill Heritage Development
 - Director of Culture, and Civilizational Futures
 - Director of Intercultural Integration
 - Director of Young Generations Engagement
 - Space Renaissance Ambassadors
